NEXT STEP

How we move forward

01

Technical evaluation

SE-led session mapping the selected modules to your highest-priority risk scenarios. Demo delivered in your environment or via Trendzact tenant.

02

Business case alignment

Workshop on audit readiness, incident reduction, and operating cost impact. Aligns scope to your budget and timing.

03

Deal desk approval

Trendzact Deal Desk reviews final pricing, deployment terms, and packaging. Target turnaround: 2 business days.

04

Order & provisioning

Sales order submitted by partner. Tenant provisioned and kickoff scheduled with Customer Success.

Disclaimer

Pricing shown is indicative and based on information provided at the time of generation. Final pricing is subject to Trendzact Deal Desk review, volume tier approval, deployment scope, and executed reseller terms. This document is confidential and intended only for the named partner and prospect.
